

THIS IS BEYOND

NEW ZORA SAFETY EYEWEAR

ZORA eyewear is an outstanding, economical new choice in safety. The fluid, contemporary styling blends the elements of comfort and protection like no other. Better yet, the affordable price is as attractive as the design.

ZORA. BEYOND YOUR EXPECTATIONS.

NEW ZORA™ SAFETY EYEWEAR

Smooth Look.

ZORA has a smooth design that sweeps across the eyes. This fashion-wrap design provides an excellent fit, while accentuating style, on both men and women.

ZORA safety eyewear meets ANSI Z87.1 and CSA Z94.3 standards.

Tough Performance.

The three-piece polycarbonate construction helps provide strength and increased impact protection. Integral side shields offer excellent side protection. Plus, there's a choice of anti-fog, or scratch-resistant hard-coated lenses.

Extra Comfort.

Combine an ultra-lightweight (only 1 oz.) design with gentle, "head-hugging" spatula temples that won't produce "hot spots" around ears, and you have the all-day comfort of ZORA.

Value Price.

Not only is ZORA manufactured to high quality standards, cost efficient production allows for an affordable price that will fit virtually every budget.

Clear and gray ZORA lenses provide 99.9% UV protection and are available with Anti-Fog Coating.
